PROFILE

MCA graduate with hands-on experience in Python, SQL, PostgreSQL, MySQL, and Power BI through end-to-end data analytics projects. Skilled in data cleaning, exploratory analysis, SQL querying, CTEs, window functions, and interactive dashboard development. Experienced in transforming customer, layoffs, and sales data into business insights. Seeking an entry-level Data Analyst role to apply analytical and problem-solving skills.

TOOLS & TECHNOLOGIES

- **Programming & Query Languages:** Python, SQL
- **Databases:** MySQL, PostgreSQL
- **Data Analysis:** Data Cleaning, Data Preparation, Exploratory Data Analysis
- **Visualization:** Power BI, Microsoft Excel
- **Python Libraries & Tools:** Pandas, SQLAlchemy, pgAdmin
- **SQL Concepts:** Joins, GROUP BY, CTEs, Subqueries, Window Functions, CASE Statements, Aggregations
- **Excel:** XLOOKUP, VLOOKUP, IF, SUMIFS, COUNTIFS, Pivot Tables

PROJECTS

Customer Behavior Analysis | Python, PostgreSQL, Power BI

- Built an end-to-end data analytics workflow using Python, PostgreSQL, and Power BI to analyze customer behavior and business performance.
- Prepared customer data and connected Python to PostgreSQL using SQLAlchemy.
- Used SQL aggregations, CTEs, subqueries, and window functions to analyze customer spending, revenue, subscriptions, discounts, and product performance.

Layoffs Data Analysis | MySQL

- Cleaned and standardized layoffs data by removing duplicates and handling missing values.
- Used SQL queries, CTEs, joins, aggregations, and window functions to analyze layoffs across companies, industries, countries, and years.
- Applied DENSE_RANK() to identify companies with significant layoffs and analyze yearly trends.

Sales Dashboard | Power BI

- Developed an interactive Power BI dashboard using SuperStore sales data to analyze sales performance and profitability.
- Created KPI visuals to track total sales, profit, quantity, and average delivery.
- Analyzed sales and profit across categories, sub-categories, regions, and customer segments.

EDUCATION

Master Of Computer Application (MCA) , <i>Pranveer Singh Institute of Technology, Kanpur</i>	2024 – 2026
Bachelor Of Computer Application (BCA) , <i>Institute of Management & Technology, Gorakhpur</i>	2021 – 2024

CERTIFICATIONS

- Fundamentals of Java programming by Infosys.
- Database Management System by Infosys.
